

TaylorMade Landscape Contractors are please to announce that St.Modwen Homes have awarded the contract miniating all the sales centres in the northern division. This will compromise of a fortnightly rotor cutting all sales and POS grass areas, weeding all beds as well as pruning beds, clearing paths and various other general up keep jobs.

This is a great show of trust in the team at TaylorMade entrusting us with the reasonability of keeping the high standard of the St.Modwen image up to standard throughout the northern sales centres.
